

THE LOCAL POWER PLAN.

A blueprint for everyday Australians
to benefit from the coming boom
in local, cheap and clean power.

SEPTEMBER 2020

WELCOME TO THE LAUNCH

A BLUEPRINT TO EMPOWER COMMUNITY RENEWABLE ENERGY

1. Local Power Scheme
2. Underwriting New Community Investment Scheme (UNCI)
3. Community Renewable Investment Scheme (CRIS)

1. THE LOCAL POWER SCHEME

- 50 Local Power Hubs
- Local Power Fund (\$312 million)
- Strategic Capital Investment

2. UNDERWRITING NEW COMMUNITY INVESTMENT SCHEME (UNCI)

- A public underwriting scheme
- De-risk mid-scale projects that are 51% community owned
- Designed to 'crowd-in' private investment

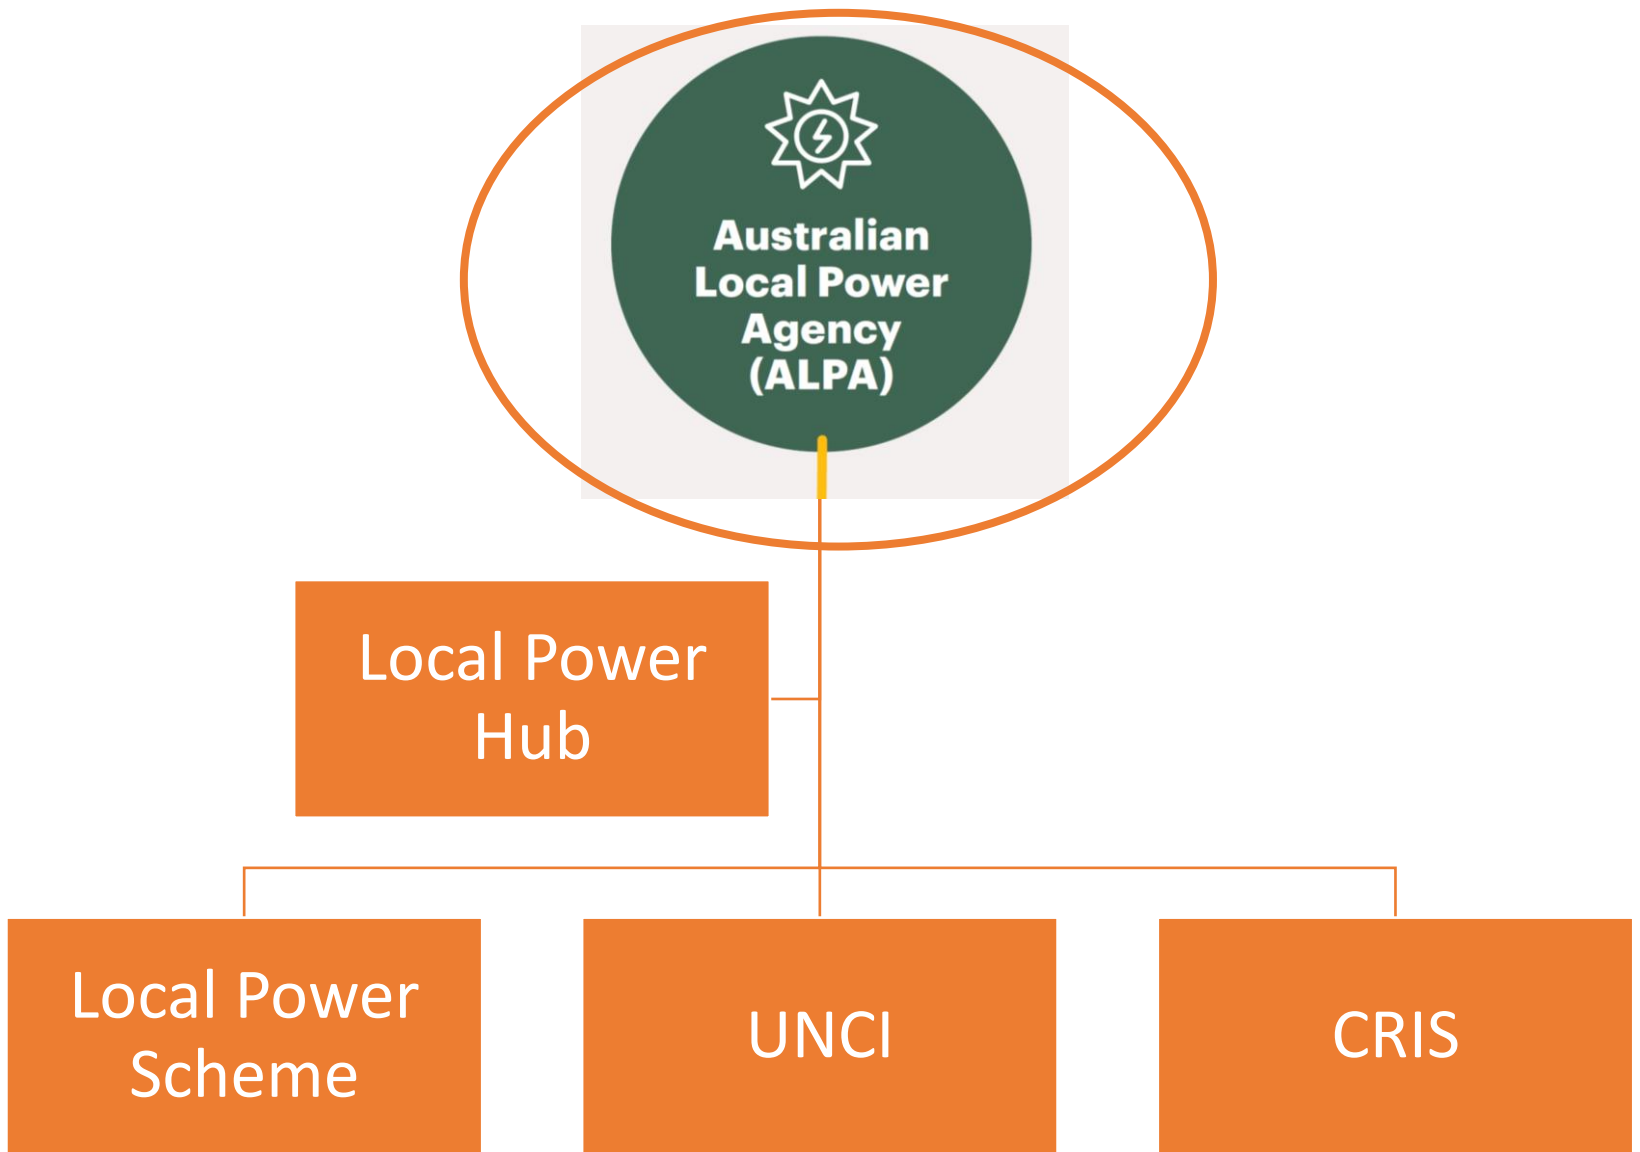

3. COMMUNITY RENEWABLE INVESTMENT SCHEME (CRIS)

- Community co-invest in projects
- Enables partnerships between developers and community

THE LOCAL POWER PLAN.

Helen Haines MP

MAKING THIS A REALITY

1. Pass the Australian Local Power Bill (2020)
 - Establishes the Australian Local Power Agency
2. Fund the Local Power Plan
 - \$483 million over 10 years
